"A good school at the heart of the community"

Newsletter - Thursday 12th October 2017

Dear parents, carers, families and friends -

You may be aware already, since the children played such a very big part in the day, that yesterday a panel of Heather's governors put four candidates through a very objective and highly gruelling interview process for the role of headteacher here after the Christmas break!

It was a day of very challenging tasks and extremely stiff competition, but I'm delighted to be able to tell you the outcome. When the children return to school in January, Mrs Michalowski will be assuming the role of headteacher at Heather Primary School. I know you'll be as pleased with this news as the staff have been this morning and the children will be today. We were lucky to receive applications from such high quality candidates and even luckier that the best person for the job was proved to be someone who knows us very well already ☺

There are lots of arrangements still to be made for the New Year and in the meantime all will continue as normal - as there is more information to be shared, we'll let you know.

If you have any questions, comments or concerns, please do come in and chat with us. In the meantime, I'll wish you a very warm and happy half term - don't forget, no school tomorrow! ☺

Best wishes,

Low Harrison and the team at Heather Primary School

REMINDER

If you haven't returned your parent interview questionnaire from this week, there's still time – please drop into the school office if you need a new copy.

If you have, many thanks – we've been overwhelmed by so many returned questionnaires and such a very positive response!
