"A good school at the heart of the community"

February 3rd 2017

Dear parents, carers, families and friends,

This letter accompanies your copy of the final report from the Ofsted inspector, following his visit to Heather two weeks ago. We're delighted that the report recognises all of the good practice in school and that we have a report to share with you that is full of highlights.

The inspector valued the hard work undertaken so far in order to achieve the goals already set by the whole school team. He thoroughly enjoyed his visit, he said, and took every opportunity to talk to children about the school - he clearly valued their views.

We now have 3 'next steps' to build on all of these positives, which are already in our development planning. The inspector recognised we could use these to build on existing good practice in school and used the word 'evolution' in talking about them during his visit.

We're very proud of the report and know that you'll be glad to see so many positive comments. If you would like to discuss any aspect of it, we are – as ever - always glad to hear from you.

All best wishes,

Ms Harrison and the whole Heather Primary School team of staff and governors.
