## Newsletter - Wednesday 7<sup>th</sup> June 2017

Dear parents, carers, families and friends,

Happy new (last one of the year) half term, everyone! We hope everyone had a good week's break and you're looking forward to the many school events coming up between now and the summer holiday ☺

We're surprising you with a mid-week newsletter this week because we wanted to make sure that everyone knows that - fingers crossed! - **Sports Day is going ahead on Friday this week, as planned.** We've perused every available weather forecast at length and it's looking largely favourable for that day, so we're going ahead! Obviously, if the weather defies all expectations suddenly and the day isn't going to be fun or safe for everyone, we'll give you as much notice of any changes as we can.

We're aiming to **start at 1.30pm**, as always, and you're invited to join us (maybe bringing sun cream and an umbrella, to cover all possibilities!) **on the field after 1.15pm**, ready for the start. The afternoon will begin with a parade of the children in their houses, followed by a display from Gymnastics Club, and then the various races will begin. We'll be setting up the gazebos for the children at the other end of the field this year, with Health, Safety and Safeguarding all in mind.

We do tell the children that they're welcome to wear a T-shirt in their house colour for the afternoon, but it's not compulsory - if you don't have one in the right colour, their usual PE T-shirt is absolutely fine ☺ They definitely need to remember their **water bottles, sun cream and sun hat** on the day, though, please.

If you have any questions, do ask at the office at the start of the day or check with your child's class teacher at the end - we look forward to seeing you on Friday (fingers still crossed!)

All best wishes - Ms Harrison and the team at Heather

### Class Assemblies

Once the Sports Day has taken place, we'll confirm the schedule for Friday class assemblies and add the list to the school website and newsletters.

### School website

Many thanks to the parents who let us know that there was a problem with the school website recently. We let everyone know straight away and then sent out a message when we were sure that it was a safe cyberspace again. Please do let us know if you see anything odd on there - and keep checking in for new content ☺
