"A good school at the heart of the community"

Thursday 4th February 2016

Dear parents, carers, families and friends,

It was good to see so many of you last night at our after-school 'Open Evening', which always precedes our **parents' evening** progress meetings. If you don't yet have an appointment with your child's teacher next week, let them know, or talk with Mrs Dennis at the School Office and we'll try to help.

You'll know from previous newsletters that we've been putting various resources on the school website to help parents and carers in supporting their children when they're online at home. Although February 9th is the official '**Safer Internet Day**' in schools across the country, we carry the e-safety theme through the year at Heather. You might find some of these links useful in finding out more:

www.saferinternet.org.uk

Join the global celebration on 9th February! Safer Internet Day 2016 will take place on the 9th February with the theme Play your part for a better internet!

<http://www.lgfl.net/esafety/Pages/parental-advice.aspx>

<https://www.thinkuknow.co.uk/parents/>

It's important to keep yourself well-informed and as up-to-date as you can, and these links will help. If you'd be interested in hearing more through school, just let us know.

We're hoping to receive some printed information from the NSPCC very soon to send home with our Year 5 and 6 children on being '**Share Aware**' - thinking about the information and images we share with and send to others.

If you have any questions, comments or concerns, let us know - in the meantime,

All best wishes from Ms Harrison and the staff of Heather Primary School
