

Heather Primary School

Dear parents, families, carers and friends,

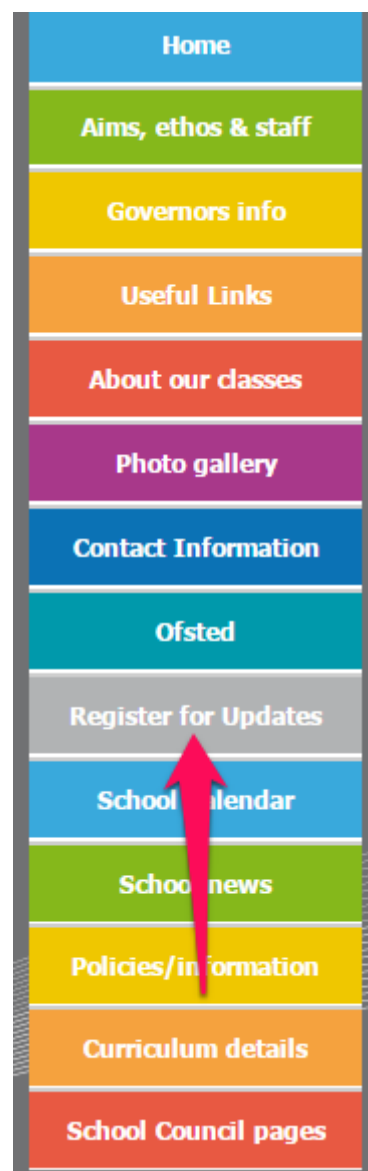

It's been another productive week at school and the children are very busy learning – if you've checked out the website recently, you'll know that the long term plans for all of the classes are ready for you to read. Some exciting plans ahead!

By the way, don't forget that you can sign up on the website to be notified when there are updates – the button to press is here:

On the radio this week, I heard a conversation about words that haven't been invented yet but that are needed to describe new feelings and experiences – one was suggested for the experience of being ignored while the people around you are lost in constantly checking their phones or tablets... 'phoneliness'. I thought this was a very useful reminder of how important it is to make human contact an absolute priority.

On which note, I will sign off with a reminder that if you have any comments, queries or concerns, please drop in and talk to us about them. We're always glad to see you!

Best wishes – Ms Harrison and the staff of Heather Primary School

Reminder

Macmillan Coffee Afternoon – Monday 28th September

The event will start at 1.30pm – everyone is welcome to attend to help us to raise funds for this very worthy cause. If anyone would like to bake/donate a few cakes for the event they would be very much appreciated.

We look forward to seeing you all on Monday.
