

## Primary PE and SPORTS FUNDING review of spending for 2016-17

The Government is providing funding for schools to improve the quality of PE and Sport for all children. All primary schools receive £8000 plus a premium of £5 per pupil per academic year. At Heather, we received **£8,515** in total. This money must be spent on improving the provision of PE and Sport for the benefit of all pupils registered at that school so that all pupils develop healthy lifestyles.

Heather Primary School has bought into **Option 4** being offered by the North West Leicestershire Schools Sports Partnership (NWLSSP). See **'Our option with NWLSSP'** for full details. The cost of this was £4500 plus £5 per pupil which equates to **£5015** (based on 103 pupils). FIGURES BASED ON DATA FROM 2015-16
